

## Invitation to 21<sup>st</sup> Regional Osteoporosis Conference on 27 June 2021

Dear OGS HK Members,

We are pleased to invite you to participate in the **21<sup>st</sup> Regional Osteoporosis Conference (ROC 2021)** which will be held on **27 June 2021 (Sunday)** at Cordis Hong Kong via a hybrid conference. **This Conference is organized by the Osteoporosis Society Hong Kong (OSHK) and we are one of the supporting organizations for this Conference.**

With the conference theme of *“A Multidimensional Approach to Osteoporosis”*, the programme will highlight Atypical Femoral Fracture: An Asian Perspective, Bone Health Assessment, Bone Health in Rheumatological Disorders, Extraskelletal Benefits and Harms of Bisphosphonates, Osteoporosis & Fall Prevention during the COVID-19 Pandemic, Preview of 2021 OSHK Osteoporosis Management Guideline, and Update on Therapeutic Interventions in Osteoporosis. Detailed programme will be ready on the website <http://www.oshk.org.hk> in due course.

### Call for Abstracts

If you are interested to submit abstracts for **poster presentation** at the Conference, please click [HERE](#) to submit your abstract.

**Deadline for Abstract Submission: 27 April 2021**

### Early-Bird Registration

To enjoy the early-bird registration discount, please click [HERE](#) to register ONLINE now.

**Members of OSHK and ROC 2021 Supporting Organizations are entitled to register at the member rate.**

**Deadline for Early-Bird Registration: 27 May 2021**

### Accreditation

**CME, CPD and CNE points will be applied for local delegates.**

For enquiry, please contact the ROC 2021 Conference Secretariat at (852) 2559 9973 or via email to [roc@icc.com.hk](mailto:roc@icc.com.hk).

We look forward to your valued participation.

Yours sincerely,

Dr Mona Lam

Honorary Secretary

For Dr Vincent Cheung

President
